

eSift Corporate Resourcing Solutions

eSift tailored online resourcing solutions for businesses across the UK

eSift's Corporate Resourcing Solutions were created to meet the changing needs of our clients, we work with a number of large/medium organisations who have HR and or Recruitment teams in place. These in-house teams manage the day-to-day resourcing needs of the organisation however would come to eSift when they require additional resource.

This could be the best time management tool you have!

The list of services below, enable clients to select the exact resourcing requirement and only pay for that function.

CV Sifting - £300 (up to 200 candidates)

- Corporate branded advertising can sometimes generate a huge response which then means in house HR/Recruitment teams have to spend time screening.
- Send us the response we will have the response sifted to your criteria saved in Yes, Possible and No files and sent back to you within 2 working days.

Telephone Screening - from £15 per candidate

- We will contact the applicants and go through screening questions to establish their ability to do the job.
- In addition, confirm key information including reasons for leaving, notice period, gaps in employment and salary expectations.

CV Searching - £500

- Source 4 candidates who match the agreed criteria, who are actively looking for work and are interested in the position and company.

Recruitment Advertising & Response Management - £450

- We will make sure we have all the information we need to create the job advert for you.
- Only once you are happy with the advert will we advertise it on top job boards including Reed, Monster and Total Jobs (Generic sites only, specialist job sites will be charged to clients as a separate cost.)
- The adverts will run for 28 days.
- All candidates who apply will be sent an acknowledgement email thanking them for their application within one working day.

Recruitment Advertising, Response Management & CV Sifting - £600

- We will make sure we have all the information we need to create the job advert for you.
- Only once you are happy with the advert will we advertise it on top job boards including Reed, Monster and Total Jobs (Generic sites only, specialist job sites will be charged to clients as a separate cost.)
- The adverts will run for 28 days.
- All candidates who apply will be sent an acknowledgement email thanking them for their application within one working day.
- All candidates will be sifted to the criteria provided by the client and candidates sent in separate yes, possible and no files.

Corporate Websites & Applicant Tracking Systems (POA)

eSift has experience of managing a Talent Pool via corporate websites and tracking systems i.e. i-GRasp, Recruit Active, Kronos allowing HR & Recruiting Managers to focus and maintain the corporate recruitment process knowing candidate care is being managed remotely.
